Our Heartfelt Thanks

The Shenandoah Community Foundation depends on the support of donors and volunteers who help us fulfill the Foundation's mission of "connecting people who care with causes that matter." Words are inadequate to express our deep gratitude to so many, but we must make a humble attempt.

Thanks to ALL of the Volunteers and school personnel who served on Grant and Scholarship Committees (and apologies to all those we may have missed): C. J. Borden, Carolyn Long, Jennifer Horowitz, Adina McInturff, Peggy Dunstan, John Paster, Anne Marie Kennedy, Doris Combs, Sharon Smitherman and Pat Vaughn.

Thanks to everyone who participated in fundraisers and golf tournaments in 2010 in support of our funds, including the Marge Moyers Memorial Scholarship Fund, the Michael Morehead Memorial Scholarship Fund, the Colton Lindamood Memorial Fund, and the Harry Combs Memorial Scholarship Fund.

And thanks also to the students at Peter Muhlenberg Middle School who contributed to the Susan P. Massie Theatre Scholarship Fund, and to all those who made donations through their Virginia tax refunds during the year.

What is the Shenandoah Community Foundation?

We are a tax-free, non-profit PUBLIC foundation [501(c)(3)] that provides for the administration and investment of gifts and bequests primarily for the benefit of Shenandoah County and surrounding areas. Needs served may be broad in scope, including human services to children, youth, the needy, and the elderly; education; health; the arts; and the humanities.

The Foundation currently offers a range of general and special-purpose Funds serving the County and its residents. We are one of hundreds of community foundations over the nation rendering vital services both to the communities they serve and to donors who care about the present and future of those communities.
