The Shenandoah Community Foundation

Connecting people who care with causes that matter since 1999

Our 2012 Annual Report celebrates the local dream makers of Shenandoah County. You support this community with donations. You run the local non-profit organizations that serve us. You volunteer your time and service in countless and often unacknowledged ways. Thank you.

We also celebrate and honor our county's youth with their dreams and hopes for the future. They give life and hope to us and we are excited to see the bright future they will create.

Make Your Dreams Come True

- ◆ Have you ever dreamed of doing something special and lasting for your community--the one you're part of now, or the one of your childhood?
- ◆ Or have you ever dreamed of honoring someone who was special in your life by making a lasting gift in his or her name?
- ◆ If you have, then consider whether we can help you make your dream come true.
- ◆ We are a non-profit public foundation located in Shenandoah County. Our directors are County residents and our mission is to promote long-term charitable giving in the County and surrounding areas.
- ◆ Many people are now using us to make their dreams come true. We have 14 separate funds providing annual scholarships to County youth who are going on to further their education after high school.
- ◆ We have a special program that awards annual grants to non-profit organizations providing services to the County and its residents.
- ◆ And we have other funds (over 40 in all) that have been established by donors to benefit their chosen charities and causes, whether they are located here or faraway.
- ◆ You don't have to be a millionaire to begin giving back to your community and making your dream come true. You'd be surprised how little it takes to start your own fund. And, of course, there is no amount that's too small to support any of the many funds that have already been started.
- ◆ Interested? Connect with us by calling, mailing, or emailing today.
