The Shenandoah Community Foundation

Connecting people who care with causes that matter since 1999

Thank you for stopping to read the 2014 Annual Report of the Shenandoah Community Foundation.

We hope this report will give you an idea of the many ways the Foundation touches the lives of the people in our community.

We thank our many donors and volunteers for their contributions in making Shenandoah County a better place. And we celebrate the students and non-profit organizations who received grants in 2014 for their accomplishments and projects.
