Part I, Line 2: The Foundation monitors its scholarship grants to ensure that they are used for proper purposes and not otherwise diverted from their intended use. Scholarship grants by the Foundation are paid by check. In most instances the payee is either a public high school in the County or the educational institution that the scholarship recipient will be attending. In one program where the recipients are chosen by the high schools and the checks are payable to the recipients, the Foundation advises the recipients in writing of the potential consequences if the grants are not used for tax-exempt educational purposes. The Foundation monitors its grants to organizations and governments to ensure that they are used for proper purposes and not otherwise diverted from their intended use as follows. (1) Grants made by the Foundation are paid by check in the name of the grantee. (2) In the case of a grant that is made for a specific purpose, a grantee organization also agrees to inform the Foundation after the grant has been expended for that purpose. (3) In the case of a grant made for a specific purpose, a grantee organization also agrees to obtain the Foundation's approval before the grant has been expended for another purpose. (4) Through their community involvement and contact with grantees the directors and staff of the Foundation, as well as the donors to the Foundation's restricted funds, often have direct or indirect knowledge regarding the expenditure of grants.

Part III, Line 1(b): This number is calculated based on the Foundation's financial records of scholarship checks awarded in 2017 and the names of the scholarship recipients.
