MESSAGE FROM THE PRESIDENT

Dear Fund Sponsors and Friends of the Foundation,

We are pleased to provide this annual report for 2021 and share with you the progress of Shenandoah Community Foundation as we work towards fulfilling our mission of connecting people who care with causes that matter.

We ended 2021 with 85 funds and total assets of \$7.9 million, an increase of \$1.5 million, or 22.8%, from the prior year. We attribute our growth to 5 new funds added during the year, strong returns in our investment portfolio, and the generosity of supporters whose donations exceeded \$1.1 million for 2021.

During 2021, we distributed over \$393,000 in grants and scholarships in our community. These awards included \$65,000 through our community grants program, \$124,000 in scholarships, and \$204,000 in additional scholarships and grants through our donor advised and other funds.

Awards were made for post-secondary education and to 50 nonprofit organizations serving in the areas of social services, health care, the arts, and the environment. Over the course of our 22-year existence, we have distributed over \$3 million in grant awards in these areas.

As we move forward into 2022, we want to especially recognize and thank Jeff Dalke who completed 13 years of service to SCF at the end of 2021. Jeff was truly extraordinary in his commitment to and leadership of the Foundation, serving in different capacities as a board member, treasurer, and president. Our organization is better because of him.

It is also with great respect and reverence that we recognize and celebrate the life of Warren French, Jr., the founder and generous supporter of SCF. Warren passed away in 2021 at the age of 98, and left what we and many would describe as an unparalleled legacy in Shenandoah County for generations to come (see page 4).

We are very grateful to the fund sponsors and to all of the donors and volunteers who generously support the Foundation. We strive to be good stewards of the resources you have entrusted to us. On behalf of the Board, thank you for your support and partnership.

W. Michael Funk
President

A TRIBUTE TO WARREN B. FRENCH, JR. 1923–2021

How would you describe a life well lived? For those of us at Shenandoah Community Foundation, it can be summed up in two words—Warren French.

Warren was a monumental force for good in Shenandoah County—a man of both ideas and action that impacted our community. He is best known for his professional career in telecommunications, beginning as a general manager of the Farmers Mutual Telephone System of Shenandoah County and ultimately advancing to Chairman of the Board of its successor organization, Shenandoah Telecommunications Company. Recognized by his peers as a leader in the industry, Warren was inducted into the Independent Telephone Pioneers Hall of Fame in 1993.

Active on the boards of many organizations, Warren was both known and respected for his genuine care and concern for the welfare of our county's citizens. In 1999, he shared the idea of a community foundation and inspired others to help establish this organization that has touched the lives of most Shenandoah County residents. He and his wife Pat established the first donor-advised fund from which donations are made annually to many local nonprofit groups.

Warren's death at age 98 brought tributes from around the world. He will impact generations to come as his legacy continues. We celebrate the life of Warren French and are most grateful to him for investing his efforts in making Shenandoah County a better place.

MAKING A DIFFERENCE IN SHENANDOAH COUNTY

Kathryn Motley, recipient of the John Duncan Wilburn Adventure Scholarship, conducts research in the Shenandoah River for her summer project.

Conservation Corps, a summer project offered by Friends of the North Fork of the Shenandoah River, provided teens with the opportunity to learn more about the environment and engage in community projects, such as the construction of benches and tables at Seven Bends State Park.

The Strasburg Express/Homewood Fund offers tickets to area senior citizens to enjoy summer baseball games.

MAKING A DIFFERENCE

SEARCH GROUP HOME

Shenandoah Community Foundation is proud to support Shenandoah County SEARCH, a non-profit organization whose mission is to provide a warm and nurturing home for intellectually challenged adults through their Group Home in Mount Jackson. Their goal is to help the residents lead lives as independently as possible.

SEARCH was established in 1978 by Preston and Vivian Poole, and the Group Home continues to operate in their memory. Today SEARCH thrives under the leadership of Judy Franz, Chair of the Board of Directors, and Robin Tull, the Group Home Administrator, along with dedicated board members, staff and volunteers.

Judy Franz works passionately for the residents and continues the vision initiated by the Poole's over 40 years ago. When she is not spending time visiting with the residents, Judy works to support the Group Home by organizing fundraisers, reaching out to local businesses and community members for support, as well as managing grants and donations designated to SEARCH. She also oversees the SEARCH Thrift Store that generates significant income for the Group Home. Needless to say, Judy is known for going above and beyond for the Group Home residents as well as aiding the staff where most needed.

Robin Tull describes the residents and the staff as one big family. There are currently six residents at the Group Home under the care of 24-hour staff. The residents particularly enjoy doing crafts together, going to the local library, and taking field trips. When they aren't out on adventures, the residents get to relax and enjoy life at the Group Home and are often joined by Angel, a Pomeranian mix who is described as the home's therapy dog and unofficial security system.

Shenandoah County is fortunate to have SEARCH as a resource. The vision of the Poole's is alive and well today thanks to the board, staff, and many supporters throughout the community.

The six current SEARCH Group Home residents. The Home is licensed to accommodate eight adults.

Shenandoah Community Foundation recently awarded \$10,000 to SEARCH in response to a grant request to remediate a moisture issue in the basement of the Group Home, enabling the storage of extra supplies, residents' seasonal clothing, decorations, and other items.

Judy Franz, SEARCH Board Chair

THE POWER TO MAKE A DIFFERENCE

YOU DON'T NEED TO BE WEALTHY TO MAKE A DIFFERENCE

You can make a difference in Shenandoah County for years to come and create a legacy of giving. Perhaps you want to honor a loved one with a scholarship fund or support a specific charitable cause with an agency fund. You might also create a donor advised fund that will enable you to make a charitable contribution, receive an immediate tax deduction, then recommend grants from the fund over time.

Why would I consider a donor-advised fund rather than simply writing a check directly to a charitable organization?

If you're facing a taxable event, such as the sale of real estate, a business or highly appreciated stock, you may be eligible to receive a current-year tax deduction* and extend your giving over multiple years from the assets in your fund.

How do I start a charitable fund?

Identify what matters to you—perhaps it's a cause, a charitable organization, or someone you want to honor.

Meet with a Shenandoah Community Foundation representative to design the fund so it can achieve your goals.

Create a name for your fund, and offer a tax-deductible gift to your fund now or later through your estate.

As your fund is invested for long-term growth, watch the meaningful difference your giving makes as you support your favorite causes.

NEW FUNDS IN 2021

Luke Isaac Heird Memorial Scholarship Fund

This fund was established by Christopher and Leslie Heird in memory of their son Luke. Donations from family and friends, church members, and classmates helped the fund to grow quickly and the first scholarship was awarded in 2022. This fund will provide scholarships for

Central High School students who exemplify excellence in character and demonstrate leadership qualities.

Joseph R. Lewis Scholarship for the Visual Arts Fund

"King of the Yard"
by Joseph R. Lewis

As an artist, Joseph R. Lewis left his creative mark on everything he touched, and believed one of the smartest things he did was to continue his education, receiving a Bachelor of Fine Arts from the Corcoran School of the Arts and Design in Washington,

D.C. The scholarship fund, established by Roger Rudy and supported by the churches he directed, will assist Mountain View High School seniors in furthering their education in visual arts or computer graphics.

The Streett-SJ Family Scholarship Fund

Charles Streett, owner of Streett Trucking LLC, chose to honor his high school alma mater by creating this scholarship fund for graduating seniors who demonstrate a responsible attitude toward academics and who have participated in varsity sports, demonstrating sportsmanship on and off the field.

The Karen Stultz Whetzel Fund for Education

This donor-advised fund was created by Karen Whetzel, long-time advocate of education, a retired teacher, administrator and school board member, and current president elect of the Virginia Retired Teachers Association. Ms. Whetzel

established this philanthropic endowment to support education and related causes in perpetuity.

The Wind River Fund

Jamie and Patty Baisden are business owners of Wind River Chimes, a Virginia-based manufacturing company of high quality, hand tuned wind chimes. The Baisdens moved to the local area in 2020 and strive to use their business as a resource to their community both local and global. They generously donate a substantial portion of their annual company profits to philanthropic causes both to alleviate suffering and increase quality of life. Since the fund was established in late 2021, the Baisdens have made substantial grants from their donor-advised fund to various charitable organizations and supported community grants to nonprofit groups in Shenandoah County.

Retiring Board Members

Thank you to our 2021 retiring board members Jeff Dalke and Karl Roulston.

Jeff served in many capacities over his 13-year term, including president and treasurer. It has been said, "he helped keep the train on the tracks and running on time!"

Karl has been a staunch supporter of SCF with the establishment of two funds and his generous giving to nonprofit organizations.

We are grateful to both of these gentlemen for their service to the Foundation and Shenandoah County.
