

25 Years of Connecting People Who Care with Causes that Matter

2024 ANNUAL REPORT

Milestones with Meaning

In 2024, Shenandoah Community Foundation surpassed two major benchmarks: 100 named funds and \$10 million in assets. These are more than exciting milestones; they are indicators of the generosity of people like you and enable the Foundation to provide more financial support to students and organizations in our community who are doing important and impactful work.

Looking Back and Looking Ahead

Twenty-five years ago, a small group of visionary leaders came together with a bold idea: to create a community foundation in Shenandoah County—one that would not only unite us but also act as a catalyst, a facilitator, and a powerful force. They imagined a Foundation that could harness the collective generosity of people from all walks of life, channeling resources into organizations that provide vital services and programs across our region. Today, as we celebrate this incredible milestone, we owe them our deepest gratitude for their foresight and commitment.

This anniversary is more than a celebration of our Foundation; it's a celebration of you. Our donors, board members, volunteers, and partners have all been essential in overcoming challenges, sparking innovation, and shaping a county where people thrive—where everyone has a place to live, work, and play. The last quarter-century has been filled with unexpected obstacles and inspiring breakthroughs, and you've been there with us every step of the way.

Thanks to the incredible generosity of donors like you, who gave an astounding \$1.6 million in 2024, we have reached a major milestone—\$10 million in assets and 101 named funds. Since our founding, we have distributed more than \$5 million in grants and scholarships. This year, \$499,101 was granted across 130 projects benefiting 81 organizations, and \$164,716 awarded in scholarships to 70 students.

This is only the beginning. With your continued support, the next 25 years hold even greater promise. We invite you to join us as we move forward, deepening our impact and continuing to connect people who care with causes that matter. Together, we will create lasting change for generations to come.

Sincerely,

Celebrating 25 Years of Connection

On October 23, 2024, people from all aspects of the community came together to celebrate Shenandoah Community Foundation's 25th Anniversary. This event provided an opportunity to honor the past, highlight the present, and look ahead to the future of the Foundation.

Foundation President Jerry Germroth kicked off the evening which honored the history of the organization and looked forward to its growth and impact in the years to come. Speakers included Kelly Storey, Executive Director at Family Promise of Shenandoah County, who spoke about the impact the Foundation has had on nonprofits, and Dr. Melody Sheppard, Superintendent of Shenandoah County Public Schools, who discussed the Foundation's partnership with the school system. Elizabeth Cottrell, Past President of the Foundation, was the final speaker, addressing the power of connection.

Legacy. Support. Hope.

"What we've created through the Shenandoah Community Foundation are three kinds of connection: Connection with the past through preservation and tributes. This is **Legacy**. Connection with the present through identifying and meeting current needs with our grants. This is **Support**. Connection with the future through investments in young people, education, infrastructure, and fields of interest. This is **Hope**."
- Elizabeth Cottrell, Past President of the Foundation

Reaching Beyond the Valley

Following the devastation caused by Hurricane Helene in September 2024, two donor-advised funds played a crucial role in supporting recovery efforts. The fundholders directed grants to organizations providing immediate relief, such as food, shelter, and medical assistance, as well as longer-term recovery support. Through these grants, the donor-advised funds exemplified the power of collective philanthropy in responding to urgent community needs during times of crisis.

We make giving easy. You may contribute to one of our existing funds or establish your own community resource in three simple steps.

1

Initial Meeting

We'll meet with you to make sure we understand your intentions and goals.

2

Fund Agreement

Based on our discussion, we will provide you with a Fund Agreement.

3

Activate the Fund

Your donation activates the fund, which may happen immediately, or through a bequest.

Making a Real Impact

"Working with the Shenandoah Community Foundation has been a seamless and supportive experience. Their professionalism and hands-on guidance allow us to focus on our mission while ensuring donor funds are managed with care and integrity. [...] SCF offers a trusted and efficient solution that gives donors confidence their contributions are making a real impact."

- Laura Bennett, Executive Director, Friends of the North Fork of the Shenandoah River

Support for an Ever-Changing Community

This year, generous donors established two unrestricted funds at the Foundation: the Martha P. and Frederic J. Hoerr Fund and the Sharon and Dennis Lilly Unrestricted Fund.

These funds play a vital role in supporting the long-term growth and resilience of our community. By offering flexible funding, these resources allow the Foundation to respond quickly and effectively to emerging needs and unforeseen challenges. In an ever-changing world, the ability to adapt and invest in both established initiatives and innovative solutions ensures that we can meet the evolving demands of our community. As we look to the future, we are thankful for these funds that empower us to sustain meaningful progress and create lasting impact.

15 Years of Dedicated Service - David Ferguson

As the longest-serving current board member, and one of the longest-serving board members in the organization's history, David Ferguson has created a lasting legacy of commitment, leadership, and invaluable contributions. Since joining the board in 2009, David has helped shape the strategic direction of the organization, championing key initiatives and ushering the Foundation into its second quarter-century.

David chose to step down from the Board of Directors in January 2025. And while his presence on the Board will be greatly missed, he will no doubt continue to be an advocate for the Foundation throughout the community.

David Ferguson, thank you for your years of dedicated service and enduring impact on the Shenandoah Community Foundation and this community.

Connection Through the Arts

Bowman-Shannon Cultural Arts grant was established to educate, guide, and stimulate the enjoyment of and participation in cultural arts in Shenandoah County, Virginia. Each year, a portion of the distribution from this fund goes to the public school system and the other portion goes to selected nonprofit organizations.

In 2024 the Shenandoah County Public Schools received \$150,000 to upgrade and install advanced sound systems in all three high schools to support a range of activities, including musical performances, theater productions, assemblies, and other school events. Community Resources for Education and Wellness (CREW) received \$50,000 to help renovate the performing arts center in the former Triplett School in Mount Jackson. Both of these projects will support the mission of the Bowman-Shannon Cultural Arts Fund and allow many individuals, of all ages, throughout the county to experience the cultural arts.

SCF Board of Directors tours the CREW Community Center and hears about the renovation progress.
